## Gibson Joins Sentinel Staff

Fallon Gibson has joined the Arnold Sentinel staff as a part-time employee and has been learning the ropes the past few weeks. Last week she was spotted taking pictures at parent-teacher conferences and at Rotary's pancake feed, and along with learning how to proofread, lay out pages and all about circulation, she has been working on pages for the new A.H.S. Alumni Directory that will go to press soon.

The daughter of Rick and Jody Bailey, Fallon graduated from Arnold High in 2001 and studied media arts and video production at Hastings Central Community College.

"I took a year off before starting college," said Fallon. "I was only 17 when I graduated, so I wasn't ready to go off on my own right out of high school."

Fallon is married to Duane Gibson and they have two sons, Shane, age 7, and Connor, 4.

The Gibsons have made Arnold their home since

2007. Fallon previously served as an assistant manager at The Exchange before accepting the position at The Sentinel.

"I really like working here," she said. "Janet (Larreau) is a really great person to work with. Learning the computer programs has really been fun. My favorite thing so far has been laying out the 'Babies of 2016' page and working at getting it just right. I'm looking forward to getting more experience to start writing some stories. Right now I feel really new."

"Fallon had only worked a few days before we moved from the main office to our temporary space at Hotel Custer while we remodel, and she did well in all the confusion," said Janet. "She has a very positive 'can-do' attitude, and has learned a lot in her short time here. I'm looking forward to watching her grow and learn more about all aspects of the newspaper."
