SIDEWALK IMPROVEMENT PROJECT

Village Engineer Tom Werblow and Professional Engineer Bernie Straetker met with the Board and several business owners to review the proposed Sidewalk Improvement Project for the 100 block of South Walnut Street. Discussion was held regarding the installation of ADA-

compliant handicap access ramps throughout the project area. The following locations were identified for new ramps: two at Hotel Custer Corner, two at the Museum, two at Touch of Grace Massage Therapy/Oakbrook Physical Therapy, one at Koubek Gardens, and one at the Arnold Sentinel. After discussion, moved by DeLosh and seconded by Bowers to have the Village pay for the installation of the ADA-compliant handicap access ramps. Roll call vote: Aye: Bowers, DeLosh, Hagler, Jenkins, Snyder. Nay: none. Absent: none. Motion carried.

The Board discussed reimbursing John Reed, d/b/a Reed's Food Center, for the sidewalk installed in June 2021. Since property owners participating in the Sidewalk Improvement Project will be responsible for 50% of the sidewalk construction costs, the Board considered reimbursing John Reed for the portion he previously paid. After discussion, moved by Jenkins and seconded by DeLosh to reimburse John Reed, d/b/a Reed's Food Center, in the amount of \$3,770.42. Roll call vote: Aye: Bowers, DeLosh, Hagler, Jenkins, Snyder. Nay: none. Absent: none. Motion carried.

Village Engineer Tom Werblow met with the Board to discuss advertising for bids for the Sidewalk Improvement Project. During the discussion, Werblow asked whether the Board wished to include the installation of conduit for future development as part of the project. The Board agreed that this would be the appropriate time to install conduit and directed Werblow to include the conduit installation in the bid specifications. The Board also discussed sidewalk construction options and requested that the bid specifications include pricing for the following:

- 4-inch reinforced concrete sidewalk
- 6-inch unreinforced concrete sidewalk
- 6-inch reinforced concrete sidewalk

Following discussion, Jenkins moved, and DeLosh seconded, to authorize Village Engineer Tom Werblow to advertise for bids for the Sidewalk Improvement Project. Roll call vote: Ayes: Bowers, DeLosh, Hagler, Jenkins, Snyder. Nays: none. Absent: none. Motion carried.

Mark Deaton attended the meeting to discuss extending utilities and infrastructure, including water and sewer service, to property he recently purchased. The primary issue discussed was sewer service, as the property is located more than 100 feet from an existing sewer main. Mr. Deaton stated that he would prefer to connect to the public sewer system rather than install a septic system. It was noted that connecting to the existing sewer main would require obtaining an

easement from an adjacent property owner. Eric Holmberg stated that the sewer main is located at the edge of the State Highway Right of way. The Board directed Tom Werblow, Village Engineer, to apply for a permit to occupy the State Right of Way on behalf of the Village to facilitate the proposed sewer extension.

ARNOLD ECOLOGY TRAIL PROJECT

Anna Tullis, Arnold Community Foundation Intern, was unable to attend the meeting. Gracie Neth, also an Arnold Community Foundation Intern, attended the meeting on Anna Tullis's behalf. Gracie Neth contacted Anna Tullis by telephone and placed the call on speakerphone. Anna Tullis then presented the Arnold Ecology Trail Project to the Board. The project's goal is to provide families with a fun and educational way to explore Arnold while learning about the area's unique natural resources through a series of interpretive signs designed for children. Each sign will highlight a different aspect of the local environment using diagrams, descriptions, images, and companion websites that offer additional information beyond what can be included on the signs. The proposed interpretive signs will be located at the following sites:

Arnold Recreation Area – The Nebraska Prairie

Judkins Hill - Agriculture

Old Mill Park – The Species That Call Arnold home

Arnold City Park – Our Role

Arnold Recreation Area – Guided by the Stars

Discussion was held regarding the proposed sign at Judkins Hill. The Board noted that the Village does not own Judkins Hill and, therefore, could not grant permission for a sign to be placed at that location. After discussion, moved by DeLosh and seconded by Snyder to approve the placement of the interpretive signs at the Arnold Recreation Area, Arnold City Park, and the Old Mill Park. Roll call vote: Aye: Bowers, DeLosh, Hagler, Jenkins, Snyder. Nay: none. Absent: none. Motion carried.

Roll call vote: Aye: Bowers, DeLosh, Hagler, Jenkins, Snyder. Nay: none. Absent: none.
Motion carried.

Dusty and Lori Stutzman attended the meeting to discuss a proposed lease agreement between DL Shooters LLC and the Village of Arnold for the Gun Club. Patricia Lamberty, Village Clerk, informed the Board that Mike Borders, Village Attorney, advised that the lease agreement should include provisions requiring DL Shooters LLC to waive all claims against the Village, hold the Village harmless, defend, and indemnify the Village against any claims or actions arising from the actions arising from the activities of DL Shooters LLC or the operation of the Gun Club. After discussion, moved by Jenkins and seconded by Bowers to have Mike Borders, Village Attorney, to prepare a lease agreement between the Village of Arnold and DL Shooters LLC.
