I hereby certify I have read, completed and examined this application and corresponding documents, and know the same to be true and correct. All provisions of law, ordinances and regulations governing this work will be complied with, whether specified or not. I certify that I have the legal authority to file this application, and will hold the Village of Arnold harmless from any and all liability that may result as a result of the above proposed project. I will be wholly and entirely responsible for any costs and damages resulting from failure to comply with any Village, County or State laws applicable herein.

Authorized Applicant Signature: _____ Date: _____

NOTICE: All work must be completed in the required time frame per Arnold Village Zoning Regulations, upon approval of permit, or you must apply for another permit. Owner is responsible for obtaining property line information, at owners expense. If construction starts without first obtaining an approved zoning permit, construction MUST STOP and permit fee is automatically doubled. Construction is deemed started when first building element is put in place. No occupancy of new /converted buildings shall occur without a CERTIFICATE of ZONING COMPLIANCE. Village has the right to inspect all projects at any time during business hours until Certificate of Zoning Compliance is issued to applicant.
